

Privacy Policy

Beautiful Boxes (we” or “us”) values its visitors’ privacy. This privacy policy is effective as of 20th July, 2020; it summarizes what information we might collect from a visitor (“you”), and what we will and will not do with it.

Please note that this privacy policy does not govern the collection and use of information by companies that Beautiful Boxes does not control, nor by individuals not employed or managed by Beautiful Boxes. If you visit a Web site that we mention or link to, be sure to review its privacy policy before providing the site with information.

What we do with your personally identifiable information

It is always up to you whether to disclose personally identifiable information to us, although if you elect not to do so, we reserve the right not to register you as a user or provide you with any products or services. “*Personally identifiable information*” means information that can be used to identify you as an individual, such as, for example:

- your name, company, email address, phone number, billing address, and shipping address
- your company name
- credit card information
- any account-preference information you provide us
- your computer’s domain name and IP address, indicating where your computer is located on the Internet

If you do provide personally identifiable information to us, either directly or through a reseller or other business partner, we will:

- not sell or rent it to a third party without your permission — although unless you opt out (see below), we may use your contact information to provide you with information we believe you need to know or may find useful;
- take commercially reasonable precautions to protect the information from loss, misuse and unauthorized access, disclosure, alteration and destruction;
- not use or disclose the information except:
 - as necessary to provide services or products you have ordered, such as (for example) by providing it to a carrier to deliver products you have ordered;
 - in other ways described in this privacy policy or to which you have otherwise consented;
 - in the aggregate with other information in such a way so that your identity cannot reasonably be determined (for example, statistical compilations);
 - as required by law, for example, in response to a subpoena or search warrant;

- to outside auditors who have agreed to keep the information confidential;
- as necessary to protect the rights, safety, or property of Beautiful Boxes, its users, or others; this may include (for example) exchanging information with other organizations for fraud protection and/or risk reduction.
